**QT-3 Qwik Time Quartz Metronome**

Keep a steady beat with this important practice tool. With a louder speaker than other metronomes and an earphone jack for privacy, you'll be able to hear the beat even in a noisy house or practice room. Or, if you prefer silence, you can use the flashing light by itself as the beat indicator.

**QT-5 Qwik Time Quartz Metronome - Credit Card Size**

This compact metronome is the size of a credit card (but thicker), yet is loud enough to be heard over your instrument. You can select 2/4, 3/4, or 4/4 accent patterns with a higher-pitched first beat to help you maintain perfect rhythm. The LCD display visually teaches rhythm with a "Bouncing ball" effect that shows you which beat you are on.
