Ukulele Handbook

by Axel Richter. Intermediate-Advanced. This book is for the intermediate and advanced level players. It displays all chords in six tunings for the different sizes of the ukulele. Of course, there are other books which show how to

build chords, but when you are playing a new song, you need an "almanac" for a quick look over all the possibilities to play a certain chord.

Understanding Ukulele Chords

by Robbert van Renesse. Intermediate. This book is intended for ukulele players who had some experience with their instruments, but would like to increase their musical ability, as well as for guitarists who like to improve their accompaniment skills on the treble strings of the guitar. There exist many excellent introductory ukulele methods, as well as extensive chord dictionaries. Instead, this book is intended for those players who wish to be able to sight read from a fake book, figure out the chords to a song without a chart, create accompaniments to their own songs, create chord solos, extend their chord vocabulary, or further their understanding of harmony.

Ian Whitcomb Songbook

by Ian Whitcomb. Beginning-Intermediate. The first publication dedicated to songs written and composed by Ian over the last 40 years, starting with his 1965 smash hit, "You Turn Me On". The book includes his many styles ranging from Nashville country numbers ("Hands") and British comedy songs ("Wurzel Fudge", written for Benny Hill) to personal ballads "Old Friends", and his latest batch of songs—from waltz to rumba—reflecting his life as an expatriate Englishman living in Southern California. Ian plays piano, accordion and ukulele as well as singing.
