John Kirkpatrick's English Choice

By *John Kirkpatrick*. Beginning-Intermediate. In this lively romp through seven centuries of English dance music, John Kirkpatrick shares the passion that has led him to become one of the foremost champions and interpreters of our native

traditions. Driven always by his love of dancing, John has constantly been striving to inject the maximum amount of energy and life into these lovely simple old tunes. In fact, as any dance musician will tell you, the simpler the tune is, the more opportunity you are allowed to add your own kind of zest into its performance.

Mally's Cotswold Morris Book Volume One

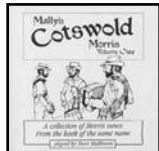

edited by *Dave Mallinson*. Beginning-Intermediate. This collection of morris music, although far from comprehensive, contains most of the dance tunes currently in vogue in what might be called the popular Cotswold traditions. All

of the tunes can be found elsewhere, but unlike previous publications, they are all presented in keys which most of today's morris musicians are most likely to favor. The tunes are clearly written in large-note music in a simple but accurate form.

Mally's Cotswold Morris Volume One

played by *Dave Mallinson*. This CD contains tunes from the book Mally's Cotswold Morris Book Volume One played on the melodeon (button accordion) by Dave

Mallinson. Because of the large number of tunes recorded, it was not possible to play each part as many times through as is required for the dance. However, no part of any tune has been omitted.

Mally's Cotswold Morris Book Volume Two

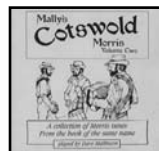

edited by *Dave Mallinson*. Beginning-Intermediate. The very few morris tune books that are available can only be found with difficulty; none are suitable for the novice. Mally's Morris Books will go some way to rectifying this situation

and, although they are not specifically aimed at beginners, they should be of tremendous use to them. To convey traditional music exactly by conventional notation can be very difficult.

More Airs For Pairs

by *Matt Seattle*. Beginning. Like its companion, Airs for Pairs, this book contains twenty-one tunes from Britain and Ireland. The first book contains some of the most popular traditional tunes which, the editor feels, should have a

place in the repertoire of all musicians who reside in these islands, whatever their chosen specialization. This second book contains more of this core repertoire, but also has some interesting older tunes as well as some more recent music composed in traditional idioms.
