The American Fiddle Method, Volume 1 - Viola

by Brian Wicklund and Faith Farr. Beginning-Intermediate. This method opens up the world of fiddling to the beginning/intermediate violist. Finally fiddlers, violists and cellists can jam together! Unlike many books for violas and cellos

which simply transpose the tunes, the authors went to considerable effort arranging the tunes to be both playable and true to the original melody and key.

Beginner Viola Theory for Children, Book Two

by Melanie Smith. Beginning-Intermediate. Book 2 in the Melanie Smith viola theory series introduces students to new music and theory concepts which are fundamental in developing a deeper understanding of the viola. Book 2 will begin

by covering the theory involving the ranges of notes for the viola and then moves into specific theory concepts such as note and rest values and time signatures. The final section of Book 2 focuses on musical terms and includes a comprehensive review of all instructional concepts covered in the book.
