## Ukulele Jamboree!

By Ian Whitcomb. Intermediate. This little songbook is a celebration of the spirit for use by ukulele entertainers and everybody else who wants to feel better in these often sad times of ours. There are no

hymns or songs of praise as in a church, but the function is pretty much the same: the use of song to raise you out of yourself and onto another plateau where all is merry and bright. An alternative medicine to pills and the like.

## Understanding Ukulele Chords

By Robbert van Renesse. Intermediate. This book is intended for ukulele players who had some experience with their instruments, but would like to increase their musical ability, as well as for guitarists who like to improve their accompaniment skills on the treble strings of the guitar. There exist many excellent introductory ukulele methods, as well as extensive chord dictionaries. Instead, this book is intended for those players who wish to be able to sight read from a fake book, figure out the chords to a song without a chart, create accompaniments to their own songs, create chord solos, extend their chord vocabulary or further their understanding of harmony.
